CUT GLASS FOR WEDDING GIFTS.

Be very careful in selecting Cut Glass for wedding gifts. There is a great difference in Cut Glass, the cheap cuttings being neither artistic or desirable.

Our Cut Glass is cut by the highest grade Cutters in the country

The cuttings are exquisitely done, and wonderfully polished, and yet our prices are not in excess of those asked for ordinary and inferior cutting.

NORMAN HENRY'S BODY FOUND.

A Case of Suicide.

While one of G. H. Bawtinheimer's sons was mowing on one of his farms, half a mile from Springvale school, he had occasion to go into a deserted building, used for a granary, for a piece of wire, when he was horrified to see a man lying dead on the floor. Coroner Dr. George was at once notified, and he went out with Constable Plant and took charge of the case. The body was so badly decomposed that there was practically nothing left but the skeleton. A pocket book was found on his person, and a note inside giving his name as Norman Henry, and address of his wife at Burnaby, Ont. The note stated that he was tired of being chased around, and an empty bottle labelled carbolic acid, purchased from Wendall McLean, Calgary, was found beside the body. He was evidently on his way to Clive, Alta. One of the Maxwell family saw a man about Henry's description in the neighborhood about July 1st. In the Inverclyde Province of June 16 and 23 were found on his person, which would lead Dr. George to infer he had committed suicide about July 1st. Under the circumstances, he did not deem an inquest necessary. A watch, a fur coat and other things were found in the building, but no money.

Mrs. Gordon Wilson Dead.

Hallie, only daughter of Mr. and Mrs. H. G. Stone, and wife of Gordon Wilson, passed peacefully to her long rest on Friday morning about 8.30 o'clock. Mr. and Mrs. Stone were in Edmonton attending the Undertakers' Association convention, as it was not thought Mrs. Wilson was any way dangerously ill, in fact she was some better. Mrs. Murray, a lady friend, was with her at the time, and her husband, Mrs. Wilson has been sick with consumption for about 18 months, and was in the 22nd year of her age. A. W. Kelly, of High River, President of the Undertakers' Association, kindly offered to stop over, and he took full charge of all preparations for the funeral, relieving Mr. Stone of this very painful duty. The funeral on Sunday afternoon will be largely attended, Rev. Mr. Brown conducting the services, interment taking place in Red Deer cemetery. There was a profusion of beautiful flowers. The Funeral Directors' and Embalmers' Association sent a piece "Gates Ajar." The Winnipeg Casket Co. sent a spray, and flowers were also received from Mrs. A. U. Welton, Mrs. E. Welton, Mrs. Tait and family, and other friends. The pall bearers were Messrs. W. Springbett, F. H. Tallman, J. McArthur and E. Welton.

Alberta Funeral Directors' and Embalmers' Association.

The Annual Convention of this Association was held in Edmonton on July 25, 26, 27 and 28. There was a good attendance of undertakers present, considering the time of year, and a great deal of important business was transacted.

On Tuesday evening, the Twin City Man'g Co. tendered the assembled delegates a banquet, at which leading citizens of Edmonton were invited. On Thursday afternoon, the busy Trade took the visitors out for an auto ride around the city, and showed them many other favors.

The following officers were elected for the ensuing year:

Hon. President—A. M. Shaver, Calgary.

President—A. W. Kelly, High River.

First Vice-President—J. W. Connelly, Edmonton.

Second Vice-President—G. W. Bowker, Ponoka.

Sergeant-at-Arms—Mr. McArthur, Innisfail.

Secretary-Treasurer—H. G. Stone, Red Deer.

13 out of 15 who wrote at the examination held at Edmonton during the Convention received their Diplomas, the writer having to answer 80 per cent of the questions put by the examiner. Prof. W. H. Henshew, of Iowa City, Iowa, was the examiner, along with H. G. Stone, Red Deer, A. W. Kelly, High River, and Mr. McArthur, Innisfail.

Civic Demonstration to Sir Wilfrid Laurier.

WEDNESDAY, AUGUST 10th.

The mayor has proclaimed a civic holiday on Wednesday next, August 10th, from 1 p.m. All citizens are requested to attend the demonstration and to clean up and decorate their premises in honor of the Premier of Canada, who will arrive shortly after mid-day.

As soon as the train arrives from the north, the Premier will be met at the depot, and the procession will line up as follows:

Marshals

Escort Red Deer Light Horse

Automobiles with Premier and Party,

Civic, Public and Separate School Boards,

Executive of Board of Trade, and other Representative Bodies.

Troop of Red Deer Light Horse.

Band.

Red Deer Cadet Corps.

School Children.

Citizens.

The procession will proceed to the Town Square, where addresses will be made by the Premier and other members of the party, after which the fire of the Alberta Central will be driven by Sir Wilfrid Laurier. The location selected for the ceremony will be directly south of town and a few yards from Gaetz Avenue.

We understand two residences, those of Mrs. Ellis and W. A. Moore, will be placed at the disposal of the Premier and his party while in town.

On Thursday a political demonstration will be held, when Sir Wilfrid will address the electors in Waskasoo park at 2 o'clock. He will be assisted by Hon. G. P. Graham, Hon. A. L. Sifton, Dr. Clark, Hon. Senator Gibson and others.

Visit to the Lacombe Experimental Farm.

The Minister of Agriculture for the province entertained about 1,000 farmers at the experimental farm, Lacombe, on Friday last. Addresses were given by Superintendent Hutton, Hon. Duncan Marshall, Senator Talbot, W. F. Stephens, Ed. Freeman and others. E. Michener, M. P. P. for Red Deer, was present and made a pleasant address. He said that he had been studying agriculture since confederation. He was born on an Ontario farm in that year. He was proud of that fact too, and also that he was a farmer.

"The government is doing a grand work in establishing experimental farms in the province," he said, "and these should be convenient so every farmer could visit them during the year and learn from personal insight into the experiments. There should be classes teaching agriculture in the schools and teachers should be trained to teach it from the lowest grade in the public schools to the graduating classes in the high schools. I believe it is the hope of this great country to thus teach agriculture, and for fertility of soil and healthfulness of climate Alberta has not the equal in the world. Agriculture should be taught on equal footing with medicine and the arts, and agriculturists should be able to take their place on the public platforms and in the parliaments of the lands, and the members should be farmers in proportion to the farming population. If so, there would be a large majority of farmers in parliament."

The Park By-Law.

The citizens will be called on to vote for an expenditure of \$9,000 to purchase and improve the beautiful piece of property consisting of some 40 acres south of Town for a park, the 15th of August.

We hope every citizen will back up this by-law, as it will give the Town of Red Deer the finest park held by any town or city in the Province of Alberta at a very nominal price.

QUARTER MILLION CONTRACT.

Van Slyke Plow Co. Go To Edmonton.

The Edmonton Journal of Thursday said:

A contract to manufacture \$250,000 worth of plows, under the patent held by Dr. Rowntree, of Red Deer, has been awarded to the Edmonton Iron Works, one of Edmonton's biggest industries, of which Mr. T. J. Cornwall is the general manager. The contract was signed this morning. It covers a period of five years and calls for the manufacture of 1000 plows per year.

This is the largest contract ever awarded the Edmonton Iron Works, which has been for the past year manufacturing structural steel. The contract will make necessary an extension of the big plant on Kinistino avenue to nearly double its present size and will mean the doubling of the present payroll of \$2,500 a month.

Mr. Cornwall will leave at once for the east to order new plant to the extent of \$10,000 for the manufacture of the plows.

The plant will be installed as soon as possible, as it is the intention of Mr. Cornwall to commence the manufacture of plows this fall. The number of men at present employed at the plant is 28, and this number will at least be doubled when the new plant is in operation. It is likely that some addition to the present building will also be required.

"Although our contract calls for the manufacture of \$250,000 worth of plows in five years," said Mr. Cornwall to the Journal this morning, "we expect to be able to manufacture at least \$500,000 worth in that time, as the plow company will take all we turn out. We should be able to manufacture 2,000 plows each year."

It was at one time expected that this concern, the Van Slyke Plow company, of Red Deer, would establish a manufacturing plant of their own in Edmonton. Dr. Rowntree, who is the president, visited the city several times and interviewed the council and the board of trade with the view of securing a site. The company have, however, decided not to erect a plant, but will turn over the manufacture of their plows to the Edmonton Iron Works, who expect to receive a permanent contract for the manufacture of the implement.

Card of Thanks.

The Executive of the Baseball Club wish to thank the following for donations and assistance rendered them in making the baseball dance a success. Donations from W. E. Lord Co's., Gaetz & Gaetz, R. C. Brumpton, Hamilton & Son, Wm. Huskins, D. G. Horn, N. Murphy & Co., Frank Michener & Co., Bawtinheimer & Sons, and F. H. Tallman; printing of cards by 'The News'; hall by E. Michener, M.P.P.; music by J. Edward Welton; and assisting ladies Misses Simonite and Patterson.

Eckville.

Recent visitors from Minneapolis, Minn., say that since leaving home they have seen nothing to touch the crops in this immediate district.

Miss Moore, who has been visiting Mr. and Mrs. Matchett, left for her home in Buffalo, N.Y.

The meeting of the local U. F. A. held on Saturday last was well attended, but we would like to see every farmer in the district a member. The more members there are, the more weight will be carried by our branch both buying and selling.

Mr. Lyons preached here last Sunday. Mr. Widen is due with us Sunday next, and the following Sunday, 14th inst., Rev. A. Patstone.

G. T. R. STRIKE SETTLED.

The announcement was made yesterday that the strike on the G. T. R. system was settled and the men would go back to work in 48 hours.

Canadian Northern Route Map Tabled.

Line as Planned Parallel Alberta Central to Rocky Mountain House

Ottawa, Ont., July 23.—Except in the case of the application of the Canadian Northern for the approval of a route map from Stewart, in the province of Alberta, westerly to Rocky Mountain House, there was not much contention to-day when the hearings for a number of approvals took place before the Deputy Minister of Railways, A. W. Campbell. Mr. John T. Moore, ex-M.P. for Red Deer, Alberta, protested that the notice given was too short for the people to consider the application. He thought Red Deer, Stettler and other places should get a hearing. The proposed line crosses the Calgary and Edmonton line south of Blackfalds and westerly from there to Rocky Mountain House and practically parallels the line of the Alberta Central Railway Company to Rocky Mountain House. Alex. Smith, solicitor for the Alberta Central pointed out that this company had entered into a contract with the government to earn a subsidy for the 70 miles west of Red Deer, and its plans, profiles, etc., have been approved and work commenced. The further objection was entered that a large tract of territory was still without railway accommodation and the C.N.R. could well seek to develop some of these, and not interfere with a line that was earning a subsidy. The hearing of this application was adjourned until Tuesday, August 9th.

G. T. P. entrance into Regina was approved as well as the C.N.R. entrance into Calgary. The C.N.R. revision near Port Arthur was postponed until September.

Census of Agriculture.

The next Census of Agriculture will be taken under date of June 1st, 1911.

The area, product and value of field crops harvested in 1910 will be enumerated for fall wheat, spring wheat, barley, oats, rye, corn for husking, buckwheat, beans, peas, flax, mixed grains, hay and clover, alfalfa or lucerne, corn for forage, other forage crops, turnips, mangolds, sugar beets, other field roots, tobacco and hops; and grass seed, red clover seed, and alsike clover seed will be enumerated for product and value.

Grain and other field crops for the harvest of 1911 will be taken by area only, as none of these crops will be ripe at the taking of the census. The product of these crops will be gathered later in the year from the reports of correspondents.

Animals and animal products, also under the head of agriculture will include the number of horses three years old and over, horses under three years, milch cows, other horned or neat cattle, sheep, swine, turkeys, geese, ducks, hens and chickens and hives of bees held or owned by each person at the date of the census on the 1st of June, 1911.

The number of horses, milch cows, horned or neat cattle, sheep, swine and poultry sold in 1910 will be recorded, as well as the wool, milk, home-made butter, home-made cheese, eggs and honey products of the year, and the quantities of milk and cream sent to the factory or sold.

For-bred animals registered, or eligible for registration, which are owned at the time of taking the census will be enumerated for horses, cattle, sheep and swine, but their number will also be counted with all other animals.

Men Must Measure Up.

Or Go Unwedded in the Golden Future.

London, July 22.—Lady Dookrell, wife of Sir Maurice Dookrell, in an address at the annual congress of the Royal Institute of Public Health to-day declared that women must realize that on her depended the ascent or descent—the very existence—of the human race. "The popular idea," said Lady Dookrell, "is that every woman has about five men around her from whom she can choose a husband. Only in rare and isolated cases is that so. Usually a woman is ready to accept the man against whom she is thrown, and invariably she in her own mind knows that he does not approach her ideal."

Lady Dookrell concluded by saying that the time would come when a woman would refuse to accept a man unless he could show some certificate of mental and physical fitness.

Local & General

Boost Red Deer.

P. K. Griffin is still framing pictures for the Art Portrait Co. Times are changing continually for the better in Red Deer.

Mrs. Dr. George is enjoying a well earned holiday at the coast.

Miss McKinnon, of Smith & Gaetz, is spending a month at the lake.

W. Clendenning, of St. Louis, is visiting his sister Mrs. M. J. Manning.

Harvey Bawtinheimer is erecting a fine large horse barn on the home farm.

Baseball got quite a lift Friday night, but just wait until you see the next game.

The weeds have been out on the streets, making a great improvement.

Mrs. J. L. Crawford, who has been visiting at her father's ranch at Tronville, is home again.

A number of train crews and two more switchmen have been added to the C.P.R. staff at Red Deer.

W. H. Evans, western manager for the Union Trust Co., was in town last week looking after the interests of his company.

Mr. and Mrs. Sam Wilson arrived back in Red Deer last week, accompanied by Mr. and Mrs. J. Hunter from Preston, England.

In the last issue of this paper, in a paragraph referring to H. Drake's estate, we stated that "it took about four-fifths of his estate to wind up the estate." We did not mean by this, and do not wish the public to think that four-fifths of the assets went to paying the costs of winding it up, as such is by no means the case. The solicitor's costs, in connection with the management of the estate, including the expense of advertising, etc., amounts to \$110.00, and the charge of the Trust & Guarantee Co. for winding up the estate amounts to \$95. The balance of the proceeds of the estate were applied first in the payment of the mortgages and for secured claims which had to be paid in full, and the balance divided pro rata amongst the creditors. The meaning we intended to convey in our paragraph was to show how poorly creditors come off when any one made an assignment, owing, it may be, to the fact that no one will buy a bankrupt stock for anything like its value. We did not intend to reflect in the slightest degree upon the way the estate has been managed by either the assignee or its solicitor. The chief reason why the estate paid so little is the fact that Mr. Drake promised at a meeting of creditors to hand over to his creditors his homestead exemption, but afterwards declined to do so.

Balance East Against West.

This Is the Way one London Paper Sizes Up Premier's Speeches To Us.

London, July 26th.—Laurier's speech at Lanigan wherein he alluded to England's trade policy as a shining example was referred to editorially and was much appreciated by the Liberal press. The News, however, it indicated, how grossly tariff "reformers" here misrepresent the attitude of Canada and her rulers towards free trade and protection and hopes without confidence that the reformers will drop this, not the least of their fictions. The Morning Leader says: "Now we know how the 'Cobdenite Fetish' appears to the eyes of one of the greatest and most illustrious of her colonial statesmen."

Men Must Measure Up.

The Chronicle also points the same oral testimony.

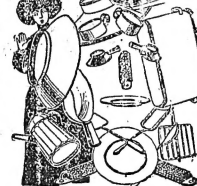

The Morning Post says: "Free trade papers and ministers who are endeavoring to exploit the heaving of Laurier on fiscal topics in the far west had better be careful not to indulge in premature jubilation. When the utterances at Brandon and Lanigan are compared they come to nothing, but the fact that Laurier, whose language and methods are eminently Gladstonian, is playing the usual Liberal and Canadian game of trying to balance the east against the west in order to secure the votes of both for a continuance of the present system."

The Morning Post alleges free traders of this country are apparently being used by American financial interests to encourage Canada to throw itself into the commercial arms of the United States and remarks a political crime of this character is no secret to man unless he could show some certificate of mental and physical fitness.

Frost & Wood No. 3 Binder Has a Strong "Back Bone"

The Frost & Wood No. 3 Binder is built to stand more hard knocks than a binder is commonly supposed to encounter. Striking a holder or bumping over rough ground does not affect this binder. That's because the binder's back bone consists of heavy pieces of steel firmly rivetted together and because the platform is connected to the main power frame by a double steel brace. Its quality in material and workmanship that the makers put into the Frost & Wood No. 3 Binder that enables it to give three to five times as many years of service as ordinary binders.

Drop in on us at your earliest convenience. We'll be pleased to see you any time. We believe you will make your visit interesting, too.

WEDNESDAY, AUGUST 3d, 1910.

UP IN THE AIR.

The Advocate last week returned to the charge that the Town had been bucking the Western General Electric Co. and quoted facts to prove its contention.

When our content begins to quote facts look out for distorted and otherwise garbled accounts.

It begins in its column account, by stating about two and a half years after the Western General had commenced business they asked for general increase of rates.

Why didn't the Advocate begin at the beginning and fight fair for the citizens and the Town?

There's a reason. When the Western General Co. started operations the Bell Telephone Co. was doing business in Red Deer. The Western General claimed the Bell Co.'s rates were outrageously high and said they could and would charge a much lower rate and they accordingly put their rates at \$10 for house phones and \$25 for business phones. This lasted until the Bell Company was compelled to close their business out in Town.

The last phone of the Bell Company was hardly silent before the Western General was after the Town to raise their rates.

The Town refused to raise the rates, but the company having crowded out their competitor and having secured a franchise cunningly worded, they appealed to the courts and gained a decision over the Town and they were granted the privilege of charging the citizens a rate of \$35 for business phones and \$23 for house phones.

The Advocate seems to gloat over this fact. It seems to think this is bucking the Company. That because the Town stood up for its rights as promised in the charter of the Company, as promised by Jno. T. Moore, who said that house phones could be furnished for \$10 and business phones at \$25, the Town is treating them unjustly and jumping on them, and citizens should willingly come forward and pay

double the rate they were promised the service would cost them in the first instance.

The Advocate says the council in opposing the Company were acting in accordance with public opinion, but the Town has got the worst of it, and advises the people to take the spanking it and its masters, the Western General, choose to give them.

And in winding up the long winded article the Advocate charges the News with persistently bucking the Company, citizens at large with personally attacking and heaping contumely on him and with wantonly and falsely impugning his good faith, and with trying to unseat him at the polls, and with sundry and divers other horrible things too numerous to mention, as the auctioneer would say on his sale bills.

All these things the Editor of the Advocate had an opportunity of explaining before the public meeting of citizens held some months ago to protest against the methods used by the Western General Electric Co., but held his peace. Now he is bucking the Town for all there is in it and openly appears to charge every citizen, and the News as well, with dishonest motives who dares to say a word against the Company or who differs with him.

THE ELECTION IN MACLEOD

(Calgary Herald)

Two men who are personally highly respected have been chosen as the candidates of the Liberal and Independent forces in Macleod to contest that riding at the election which must be held to fill the vacancy caused by the death of the late Colin Genge.

The Lethbridge Herald—the paper edited by W. A. Buchanan, who found a seat in the late Rutherford government too uncomfortable to hold down, and who now, according to reports from the southern city, is thinking of resigning altogether—thinks that Mr. Maunsell, the Liberal candidate should be elected. Why the member for Lethbridge should be anxious to get

somebody else into a mess that he is anxious to get out of himself is hard to imagine. The Lethbridge Herald says Premier Sifton wants a representative from Macleod who has sympathy in his government and the people want to send a man who believes in Mr. Sifton.

That the previous statement is correct there is little doubt, but the latter is to be questioned. Why the voters of Macleod should send a Sifton Liberal to parliament is past understanding. Macleod was not favorable to the old governments. What has the new government done that their opinion should change? What public utterance has the premier made to change their opinion of the party who deluded them and all the province? It is the same old party that is now in power and it will have the same old disregard for the public welfare.

If the southern Liberals have no better reason for the election of a supporter of the government than the fact that Premier Sifton wants to strengthen his party of misfits it is not at all probable that one will be returned.

Mr. Maunsell may have the personal respect of a host of friends, but in politics as in poker "friendship ceases." A good man fighting in a poor cause does not deserve to, and cannot, win.

The genial and mild-tempered antediluvian who runs the weekend paper up on Mann street was foolish enough to remark last week that the News man was fierce and almost insulting, but he was entirely, positively and emphatically mistaken, we were only handing the dear boy a lemon.

Lord Kitchener has been mentioned as the Napoleon of China's army, and it is said he has been offered the position on his own terms. China believes that the famous soldier could make a great fighting machine of its army by placing it on an efficient footing. Can Great Britain spare him?

England's Program of Vast Importance.

London, July 28.—Home rule for Ireland and Scotland as well as an imperial parliament with representatives from all of her colonies, is the latest and most important step in England's progressive political program, which has had the world's attention during the past year.

It is also said that the House of Lords will be curtailed as to power and other vital matters concerning the budget and home affairs have been definitely agreed upon by the Lords of both parties in parliament, who have been in conference since it met.

Premier Asquith intends to make the announcement regarding the result of this secret conference and it is generally admitted by those who took part that it will be the most important utterance ever pronounced by a prime minister of England. In fact, the matters agreed upon are of such importance that entire secrecy could not be maintained and the capital tonight is eagerly discussing the progressive measures agreed upon.

It is known that the conference reached an agreement concerning the veto power of the House of Lords, which was the chief reason for them getting together in committee as it were, instead of precipitating discussion by throwing the matter directly into parliament, and that the decision curtails the hereditary powers of the members of the House of Lords in the government of the people.

But when the leading members of the parliament began to discuss affairs of the government they went beyond the matter of the House of Lords veto and did what, in the United States would be platform making only, in this case the platform was agreed upon by the leaders of both parties in parliament and is certain to be carried out.

According to information, it was decided to place Ireland and the Irish under the control of a grand committee so that Ireland would have home rule in fact, but not in name, and instead of being separate from the British Empire, would be more closely welded to it. This same plan it was agreed would be extended to Scotland.

Next the conference agreed upon the necessity for an Imperial Parliament embracing and linking all parts of the British Empire and forming the United States of Great Britain.

Children's Dresses and Aprons At Half Price.

DON'T MISS THE BEST OPPORTUNITY.

WHITEWEAR at HALF PRICE at Hall's.

Ever given in Red Deer to procure Whitewear at a fraction of the regular value. We have about \$200 worth left yet to choose from out of the \$500 purchase, and it's going at just half the regular price.

There are, in the lot, Children's Dresses and Pinafores, Ladies' Aprons, Waists, Underskirts, Drawers, Nightgowns and Corset Covers. If you don't come and get your share of these Special Values you'll be disappointed.

MUSLINS, 5c. YD.

A lucky purchase of 500 yards of Muslin enables us to do you a regular 10c. line, While it lasts, at the Special Price—5c. Yd.

NEW DRESS GOODS.

A Special Line of the new weave of Dress Goods came to hand last week for our Fall trade. We show in this range all the wanted shades. The line is Special Value at 75c. Yd.

SHOES, 20 PER CENT. OFF.

Don't Forget we can save you money on Shoes. Our trade in this department is continually growing, and many are beginning to appreciate the special values we give. We have a big shipment of new lines for Fall now on the way, which will arrive in about two weeks.

MEN'S SUITS, \$15.00.

For the next two weeks we will give you your choice of any Suit in our stock for \$15.00. The values run from \$18.00 to \$20.00. Drop in and look them over.

SUMMER UNDERWEAR.

Knitted goods have been a little scarce, but we were fortunate in receiving a good shipment of Vests and Drawers recently, and can give you excellent values.

Vests run from 2 for 25c. up to 75c., and Drawers 35c. Pair.

SMALLWARE DEPARTMENT.

Don't forget this department in the gallery of our store. You'll find many lines just the things you need for this season of the year, and the prices are just about half what you are used to paying for similar lines.

Vaseline, 5c.; Talcum Powder, 10c.; Envelopes, 5c.; Writing Pads, 5c.; Lead Pencils, 6 for 5c.; Shoe Blacking, 5c. box; and many other lines at similar low prices.

A great deal better for a good deal less is what people look for at our store, and that is exactly what we aim to give them.

C. E. HALL, Red Deer's Cash Store.

TOWN COUNCIL

WATER WILL BE CONVEYED TO NEW COLLEGE

Citizens Want Town To Buy Exhibition Grounds

The regular meeting of the Town Council was held Thursday evening last, His Worship, Mayor McKee in the chair and Councillors Gatz, Galbraith, Welliver and Tallman in attendance.

The Town Solicitors gave it as their opinion that Mr. Long could not put a veneer brick wall on his present building, but that no objection could be made to the building of a new one. The Council Clerk asked for the printed by-laws of the town. The Town has no consolidated by-laws. Filed.

From the Provincial Board of Health advising all towns contemplating installing sewerage systems to wait until next meeting of the Legislature as legislation dealing with this question will come up. Filed.

Rev. Huestis asked for water mains on Blower Street, as his well was dry. Referred to commissioners for a report from them.

John T. Moore wrote re route map of C.N.R., stating map would be laid before Council in a few days.

A petition was received from a number of leading citizens asking the Town to purchase the Exhibition grounds and for securing a water supply and building a park thereon for the benefit of the general public. The Town solicitors wrote there was no authority under the municipal ordinances to build a park at the present time at public expense.

H. Jamieson, President of the Exhibition Association, was present on behalf of the Association and asked that the secretary read minutes of the Association where in it was moved that the Association offer the Exhibition grounds to the Town for the sum of \$10,000 and that the ratepayers be given an opportunity of voting on the question at an early date.

Mr. Jamieson said the deputation was present and desired to know the feeling of the Town on the question. He thought it would be a splendid proposition for the Town, as the grounds should be maintained for exhibition purposes and for sports.

E. Michener spoke strongly in favor of the proposition as an exhibition ground and for sports and for securing a water supply and building a park thereon for the benefit of the general public. He had gone over the proposed new park and noted the small portion available for sports and games. It would take a nice park, but he doubted if it was wise to set aside such a large tract of land so close to the town. He felt it would pay the Town to purchase Alexandra Park, yet he did not want to understand he was in any way opposed to the purchase of the new proposed park, but we had Gatz Park and the park at the depot and by securing Alexandra Park for sports we would have parks for all purposes.

The Council went into committee of the whole and discussed the situation in regard to purchasing the Agricultural grounds, with due deputation.

On the motion of Councillor Welliver the question of buying the Exhibition Association's grounds was laid over till Monday night.

Rev. Mr. Brown addressed the Council, informing them officially of what was done at the meeting for the Presbyterian College on Tuesday evening, and asking the Town to take the water system to the site of the proposed college. Mr. Brown explained that the building of the college at Red Deer was conditional on having water mains extended to this site by the end of next week we hope to have the pump set up. Mr. Albert, through whom the pump was bought recommended that Mr. Taylor, of Wataskin, be engaged to supervise the installation of the pump.

On account of the Alberta Central Railway paying 60 cents per hour for teams we have been obliged to pay 60 cents an hour

on town work.

The tax notices are about ready for mailing. We expect to have them all mailed on Saturday next.

On account of the dull condition of the bond market we have not advertised our debentures for sale. We recommend that they be held back for a few weeks longer till the market improves.

We are making good progress with the public works. Grading has been completed on Nanion Ave. and River Ave., and East Ave. is nearly done. We purpose grading Eccles St. and Victoria St. next. Work on the sidewalks is also being rushed as much as possible.

The work on cement walks is progressing favorably. We took up with the Dominion Government the question of the Gov't. paying their share of the cost of a walk in front of the Land office on Ross Ave. and on receiving their promise to pay we gave instructions to the engineer to lay the walk there. The contractor expects to have both sides of Ross Ave. completed from Holt to Mackenzie before the Laurier demonstration.

In regard to the petition asking the town to build a rink as a municipal undertaking, we are advised by the solicitors for the Town that the Town has no power under the Municipal Ordinance to do this. The new Town Bill, which will likely be considered at the next session however, gives towns the power to build rinks. We therefore recommend that the matter be laid over till next year.

We recommend that the Council adjourn till Monday, Aug. 1st, at 8 p.m. to consider the C. N. R. route map for their line to the Brazeau. By that time we should have a copy of the route map to lay before you. In the meantime we have wired the Department of Railways to see under what charter the C.N.R. is building.

The report was adopted.

ACCOUNTS

The following accounts were passed: Merchants Bank \$200.50, Town of Red Deer \$3.99, S. Howard \$8.75, Merchants Bank \$40.73, Greene & Payne \$1.00, R. E. Laurence \$7.75, Copeland-Chaterson, Crain \$15.25, Calgary Iron Works \$10.25, G. Bell \$5.00, J. L. Greene \$2.80, Wage Sheet no. 2 \$4.00, Merchants Bank \$46.46, Great West Bank \$248.00, J. Foulds \$10.75, J. Galt Engineer Co. \$15.80, J. L. Greene \$2.50, A. McPherson \$2.50.

The Council then adjourned to Monday evening.

Calgary Gets Union Station.

G. T. P. Planning to Enter City Over Canadian Northern Right of Way.

Calgary, Alta., June 28.—M. H. McLeod, manager of the Canadian Northern Railway, says that the Grand Trunk Pacific will probably enter Calgary along the right of way of the C. N. R.

There will be a big joint venture. Mr. McLeod says his company is prepared to spend about \$1,500,000 on the station, right of way and construction in Calgary.

Negotiations with the city council are now being carried on but it is understood final consent of the G.T.P. to the arrangement has not yet been obtained.

Hon. William Lyon Mackenzie King, Minister of Labor, it is daily announced, is contemplating action to end the railway strike. Hon. William Lyon Mackenzie King's contemplated action usually figures larger than his actual doing. Its exploitation keeps his name before the public in connection with the work of the strike-makers, and the people who accept talk as an accomplishment, think he is a factor, when usually he is only an observer.

Torpid, lazy liver causes biliousness and headache—two common complaints.

Nyals' STOMACH AND LIVER PILLS

wake up the liver—arouse it to action, speedily restoring good health. A purely vegetable remedy that has a beneficial effect on stomach and bowels as well. Because it is NYALS' we know what's in it. 25 cents a box.

Anything you buy with the name **Nyals' STOMACH AND LIVER PILLS** will give you entire satisfaction.

Sold and guaranteed by 2525 The Gatz-Cornett Drug & Book Co. Ltd. and Parker's, Drugs and Stationery.

Picnic at Willowdale.

The annual picnic of the Willowdale Presbyterian S.S., which was at first arranged to take place on Friday, the 16th inst., but postponed owing to rain, was held on Tuesday afternoon in the popular grove near the home of Mr. W. J. Reay. Postponed picnics are sometimes a failure, and there were many predictions that this would be no exception to the rule. We are glad to say, however, that even the false prophets, the few that are left of them, heartily agree with the crowd that it was a most successful and enjoyable social gathering.

The people began to assemble shortly after noon, and the first two hours and a half were spent in renewing old acquaintances and in making new ones. At the end of this time upwards of two hundred people had gathered; the surrounding districts such as Edwell, Springvale and Valley Centre being well represented.

By this time the day was becoming sufficiently cool for exercise and the sports began, special interest being given to the races by the children. The boys and girls were grouped separately, according to their age, so that all had an opportunity of entering into the sport and contesting for the coveted place and prize.

The sports by the children were followed by a sack race and also a hundred yard dash by the young men. In these there were many entries, which made them both interesting and amusing.

The event that proved, perhaps, the most interesting of the day, was the tug of war, where the married men were pitted against the bachelors. The short space, which to win or lose meant success or victory, was fought in true British style, but the excellent discipline of the married men forced the bachelors to a most reluctant defeat in the first two hours. When the shouts of the victors and the sighs and ifs of the vanquished had subsided, the welcome call for supper was heard; and for the sake of the inner man, the sports for the time ceased. At 4 p.m. the grove, where a table, sufficient to seat seventy at one sitting, was laden with rich and delicately prepared viands. Much credit, indeed is due the ladies, for these refreshments represented much hard and painstaking work.

When supper was ended, the married men, ambitious for richer laurels, challenged the bachelors to a game of football, and in the interest grew intense. But this time the tables were turned, the goals standing two to one in favor of the bachelors. By this time many were preparing to leave, but the young men, feeling it a final opportunity, continued the games until the stars came out.

The booths, where ice cream, lemonade and fruit, etc. were served, were exceptionally well patronized, and some twenty dollars in profits secured for the S.S. work.

The many friends of the Rev. W. G. Brown, of Red Deer, were pleased to have him and his party present. Mr. Brown is a lover of clean, manly sports, and goes into them with an enthusiasm that does everybody good.

It was good to be there, and the parting thought was why not have more of these gatherings that enrich our lives by the social and friendly contact with others.

No Disordered Kidneys Dandruff Germs Must Go.

or a Weak Bladder if You Take a Few Doses of

FIG PILLS

All Backache and Distress from out-of-order Kidneys or Bladder Trouble will vanish, and you will feel fine. Lame Back, Painful Stitches, Rheumatism, Nervous headache, Dizziness, Sleeplessness, Worn-out, Sick Feeling and other symptoms of Sluggish, Inactive Kidneys and Liver disappear. Smarting frequent Urination and all Bladder troubles end. FIG PILLS go at once to the disordered Kidneys, Bladder and Urinary System, and complete a cure before you know it. There is no other remedy, at any price, which will effect so thorough and prompt a cure as a 25 cent box of FIG PILLS. Only cumulative results can come from taking FIG PILLS, and a few doses mean clean, active, healthy Kidneys, Bladder and Liver, and no Backache.

For sale at all first class drug stores. 25c. a box, or five for one dollar. Parker's, Drugs and Stationery, special agents.

In Canada the dandruff germs must go. The war of extermination has been declared. The battle has begun, and already thousands of intelligent Canadians have permanently rid themselves of this filthiness.

To-day it is no more necessary for a man to have dandruff in his hair than to have tartar on his teeth.

Dandruff can never be cured until the small, aggravating and indomitable dandruff germ is conquered and destroyed.

And millions of dandruff germs have been destroyed, thanks to the great scientist and dermatologist who gave to the world Parian Sage, the only dandruff cure and hair grower the world has ever known.

If you have dandruff, Parian Sage will cure you in two weeks.

But besides ridding the scalp of dandruff, Parian Sage is guaranteed to stop falling hair and itching of the scalp. It is not a dye. It is a prime favorite with women of refinement. It makes the hair soft, lustrous and beautiful, and is not sticky or greasy.

GAETZ & GAETZ

GENERAL MERCHANTS.

LOCAL & GENERAL.

Miss Farley, of St. Thomas, is the guest of Mrs. R. C. Brumpton.

Ex-Mayor Botterill and family are enjoying a few days rest at Sylvan Lake.

Dr. Rowntree intimates that he will continue his practice in Red Deer for the present.

Michener Bros. will exhibit a car or more of their fine Holstein cattle at Edmonton exhibition.

W. Hadley's baby girl has been very ill for the past week, with some hope of improvement to-day.

Mrs. F. H. Tallman has been under the doctor's care but we are pleased to state she is on the mend.

The Natural History Society enjoyed a pleasant drive out east to the farm of Captain Keast on Saturday last.

A. Paradis received word on Monday of the death of his father, after a long illness, at St. John, Que., at the age of 71.

W. P. Helliwell, of Calgary, and Mrs. Helliwell were the guests of Dr. and Mrs. Collison on Monday last. Mrs. Helliwell remains for a week.

Donations to hospital for July: Ladies' Aid, 2 mattresses, 3 bath mats, 1 dressing gown and 6 pairs of slippers; Balmoral Ladies' Aid, a rocker and 2 other chairs.

Miss Alice Youmans' many friends will be sorry to learn that she is no better, but rather worse, her temperature having gone up to high fever heat. She has now been sick about four weeks.

The ladies of the Sacred Heart Altar Society will meet at the home of Mrs. Laing Thursday, Aug. 4th. The drawing for the lace bed spread, for which tickets have been sold, will take place.

Many persons have taken advantage of the Gaetz & Gaetz slaughter sale and the praise the Messrs. Gaetz are receiving is very gratifying to them. Sale will continue until Saturday, August 13th.

The Red Deer Creamery paid two cents a pound premium on No. 1 cream during the month of July. The Creamery paid out about \$3,000 in cheques to patrons for cream during the same month.

J. McGuire, of Kamloops, B.C., is assisting at the Imperial Bank owing to Mr. Roede's accident. Mr. Roede, we are glad to state, did not have his leg broken, as at first thought, and is able to be out on crutches.

Calgary put up a rattling good game of cricket at Winnipeg. Spick and Johnson, the two bowlers who retired Red Deer for 30, were successful in retiring Winnipeg first innings for 20 runs, and were only beaten in their two innings by 6 runs.

Messrs. Gaetz & Gaetz announce another successful week of their slaughter sale; and in order to permit those who live at a distance and those are only beginning to realize that this is a genuine slaughter to take advantage of the good things offered, they intend extending time of sale to Saturday, Aug. 13th.

James Arthur, infant son of Mr. and Mrs. J. H. Dempsey, passed quietly away early Sunday morning, aged 1 year, 4 months and 11 days. Everything possible was done to save the little sufferer, but it was not to be. The parents have the sympathy of a large circle of friends, and the funeral on Monday afternoon was largely attended. The services being conducted by Revs. Huestis and Barner, interment taking place in the Red Deer cemetery.

The Lacombe Globe, speaking of the ball game in that town on the 26th of July, says: "The ball games were the great events of the day. The game between Red Deer and Alix well repaid every lover of the game for the trouble and expense of coming to the sports. It was high class ball such as one would see in the big leagues. Both teams were evenly matched and at the end of the ninth innings Alix had one score to Red Deer's 0, and of course took the money."

Friday was ladies' day and all ladies were admitted free of charge at the school grounds, when Red Deer defeated Bowden by a score of 10-0. The Bowden team is a good one, but they were badly outplayed. Washburn pitched a no-hit, no-run game and received almost perfect support, only one error being marked against Red Deer. The box score was as follows:

Bowden 00000000—0 R H E
Red Deer 401022010—10 8 1

Earned runs, Red Deer 3. Two-baggers, Wagner, Edgington, Martin. Bases on balls, off Cornish 1, off Washburn 1. Struck out by Cornish 5, by Washburn 10. Left handed bases, Washburn 2, Red Deer 6. Sacrifice hits, Rolands, Turner (3), Edgington. Time 1:20. Umpire McDermott.

Gaede, Red Deer's new third baseman, is the right man in the right place, and strengthens the team considerably.

The Red Deer Baseball Club up to the present have played the following games:

May 13th, at Olds, won 7-6.
May 24th, at Blackfalds, won 20-7.
June 9, with Alix, won 6-5.
" 15, at Bittern Lake, won 8-1.
" 15, at Bittern Lake, lost 10-8.
" 25, at Alix, won 13-10.

July 1st, with Olds, won 10-2.
" 14, with Bittern Lake, tied 7-7.
" 14, with Bittern Lake, lost 7-6.
" 19, with Strathcona, won 11-7.
" 19, with Strathcona, won 7-3.
" 26, with Alix, lost 1-0.
" 29, with Bowden, won 10-0.

If this was organized ball, Red Deer's percentage would be .846, which is higher than Calgary for the same number of games.

" 14, with Bittern Lake, lost 7-6.
" 19, with Strathcona, won 11-7.
" 19, with Strathcona, won 7-3.
" 26, with Alix, lost 1-0.
" 29, with Bowden, won 10-0.

If this was organized ball, Red Deer's percentage would be .846, which is higher than Calgary for the same number of games.

Baseball.

Friday was ladies' day and all ladies were admitted free of charge at the school grounds, when Red Deer defeated Bowden by a score of 10-0. The Bowden team is a good one, but they were badly outplayed. Washburn pitched a no-hit, no-run game and received almost perfect support, only one error being marked against Red Deer. The box score was as follows:

Bowden 00000000—0 R H E
Red Deer 401022010—10 8 1

Earned runs, Red Deer 3. Two-baggers, Wagner, Edgington, Martin. Bases on balls, off Cornish 1, off Washburn 1. Struck out by Cornish 5, by Washburn 10. Left handed bases, Washburn 2, Red Deer 6. Sacrifice hits, Rolands, Turner (3), Edgington. Time 1:20. Umpire McDermott.

Gaede, Red Deer's new third baseman, is the right man in the right place, and strengthens the team considerably.
